

Oak Meadows residents enjoy missionary's story

Timothy P. Rose mesmerizes
'Soup and Bread' participants

United Church of Christ visiting missionary Timothy P. Rose was invited in February to speak at Oak Meadows Independent and Assisted Senior Living, a UCC related facility in Oakdale. Rose was part of "Soup and Bread," started recently by Oak Meadows as a community outreach program.

Kim Prayfrock, director of com-

munity relations at Oak Meadows, said that Rose "had the crowd mesmerized" as he told of his work with the World Student Christian Federation in Beirut, Lebanon. There he helps create ecumenical and interreligious projects focusing on youth and students at the local, national, regional and interregional level with a special emphasis on Middle East Europe and Middle East America.

Timothy Rose shares photographs of his life and work with Oak Meadows residents Muriel Taurinskis, Marie Langemo and Stephanie Hanson and Resident Manager Connie Dow.
