Sarah Peterson, 11, a sixth grader at Stonebridge Elementary School, shares her pet rabbit Sept. 15 with Marlon Longlet (center) and Marcella Watson at Oak Meadows Senior Living in Oakdale, where both women are tenants.

Peterson was at the center with her father Brent Peterson, executive director of the Washington County Historical Society, who spoke to tenants about the history of the Washington County Fair.

Both Sarah and Peterson's daughter Anna, 13, are involved in the Washington County Youth Bunny Club, a youth-led 4-H club that meets in Grant. Sarah is the treasurer and Anna is a club director. The girls showed their rabbits at the 4-H Rabbit Barn in this year's county fair.
