Are you interested in family history but are not sure where to start?

Getting Started will show you how to

- *Ask the right questions
- *Find and evaluate sources
- *Use tools such as DNA
- *Organize and share your findings with your family

There will be time to ask questions, so bring anything you are stuck on in your research. Our instructor, Amanda Lathrop, will also have books to purchase to start you on your journey.

As has been tradition, our neighbors, Guardian Angels, has a fabulous fireworks show during their Fall Festival. This year it is on **Saturday, September 14**. Oak Meadows will have the **Mik Mart Ice Cream Truck** here from **7:00-8:30**, in the Ponds parking lot, for you to pick out a treat, on us! Then you can sit back and watch the **fireworks that usually start at 8:30**. Hope you can join us!
