

## current events

Are you interested in talking about current events with others? On **Tuesdays (except March 9) at 10:30 am**, we will get together in the Community Room and talk about things that are going on in the world. We will also do "This Day in History" to discuss past historical events.

We hope to see you there!

## Calling All Men!

Join us on **Friday, March 12 at 1:30 pm** as we have Gather with the Guys. During this time for **only the guys** we will enjoy different topics of conversation and even send you home with a nice treat! We will get together in the 3rd Floor Ponds Lobby.

Do you enjoy doing crafts? If so, Recycled Cards is for you! On **Friday, March 26 from 1:00-3:00 pm** in the Multipurpose Room, we will come together to make all types of greeting cards. No experience necessary! During this time we cut old greeting cards, glue them onto new cardstock, and put a stamp on the back of the card. Once the cards

are completed, they are put in our store by the Reception Desk to be sold to tenants, staff and family members to enjoy.

Daylight Savings begins on **Sunday, March 14**. Remember to set your clocks **AHEAD** one hour!

If you are over 90 years old, this activity is just for you! Each month we get together to celebrate those at Oak Meadows who are 90+. During 90+ Club we play bingo - and everyone wins! We hope to see you at this fun and elite club!

On **Tuesday, March 16 at 1:00 pm** in the Dining Room, you are invited to come and chat with Allison, our Director of Food Services. She would love to hear your ideas for upcoming menus and what types of things are important to you when dining in our Oak Room Dining Room. If you have special recipes that you would like to share, be sure to bring those too. She will put your input together as we move towards opening our Dining Room again!

Our final Covid Vaccine Clinic will be on **Thursday, March 11** in the Community Room. The time is still TBA, so be sure to watch for an upcoming letter announcing the time from our Executive Director, Deb Veit. Please call Deb if you have any questions!
